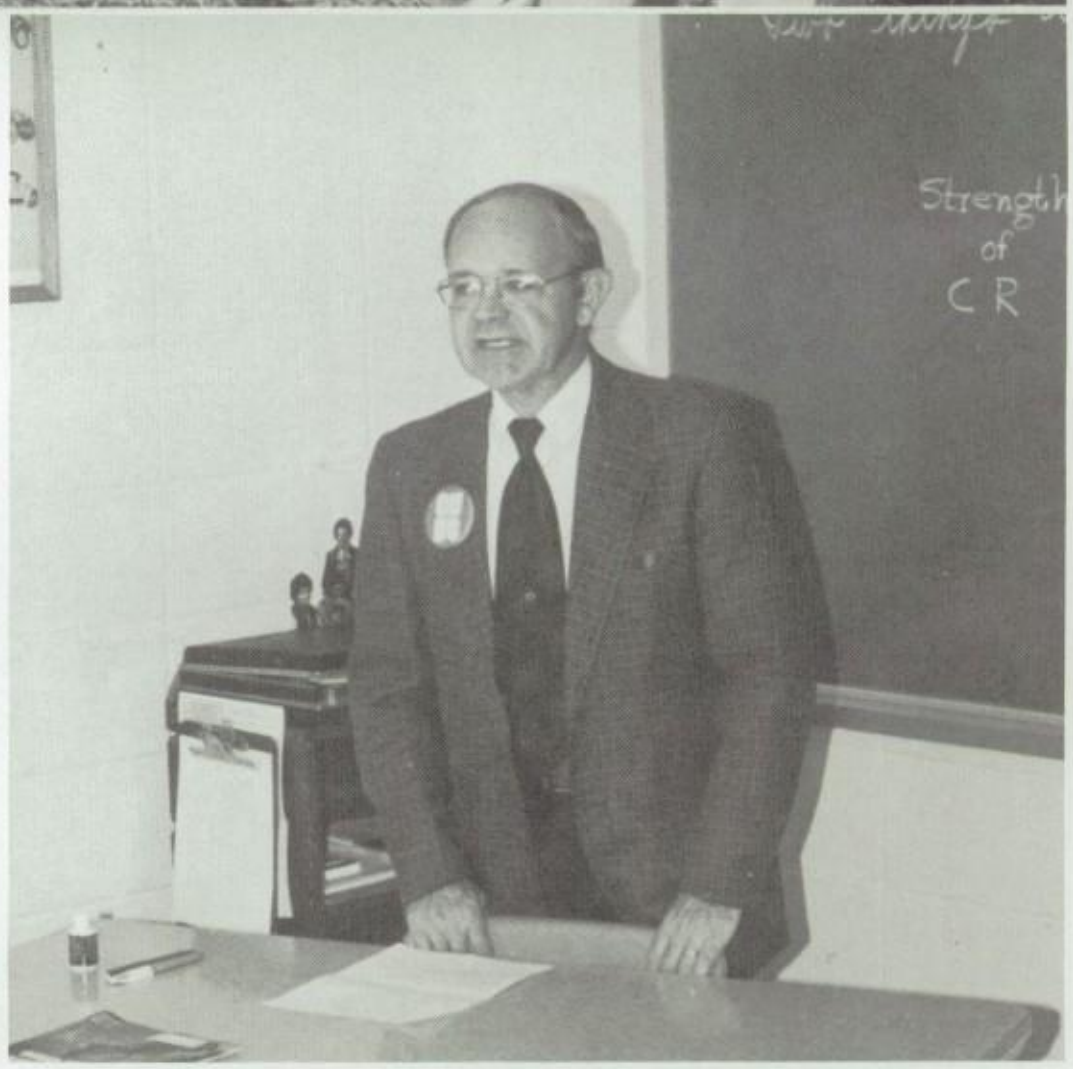
DEDICATION

Mr. William Van Winkle has taught in the Sullivan school system for 12 years. For two years he taught in the middle school. He has taught at the high school for the past ten years. Through the 12 years of teaching at Sullivan, he has seldom been seen without his cheery smile. His pleasant attitude has made him a favorite teacher with many students.

The 1981-82 EAGLE staff feels Mr. Van Winkle is very worthy of this dedication because he himself is dedicated to making learning easier and more interesting to his students. His lessons are always well prepared, and it is evident that he has spent much time preparing them. He has earned the respect of the students.

Thank you, Mr. Van!



MR. VAN WINKLE

COLORFUL FACES

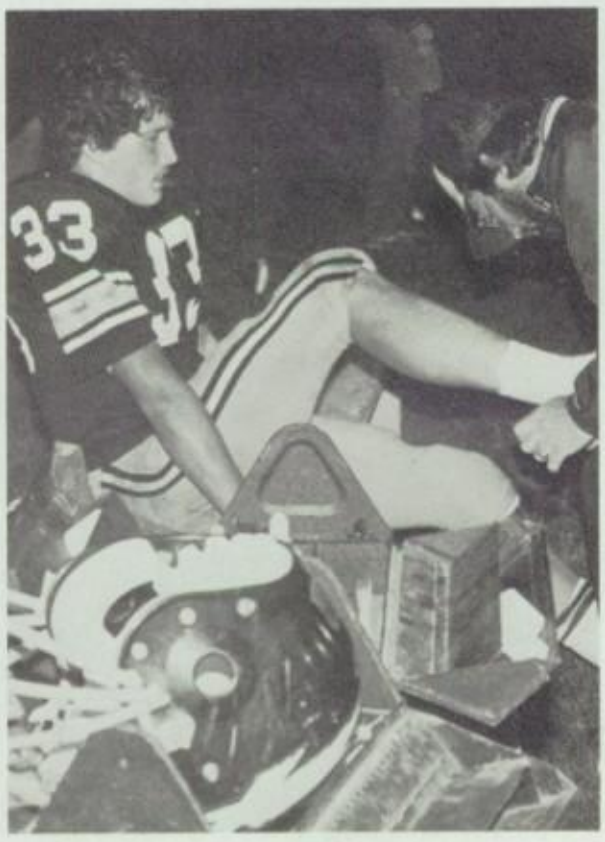
Always remember the colorful faces,
Who have plenty of laughter to share.
They are up more than down,
They smile more than frown,
And shine with the goodtimes they bear.

Like the sun shining bright,
And the starlight at night,
We're glad they will always be there.

GROWING PAINS

As we look back on
Our hardships and strife,
We realize our problems
Are just part of life.

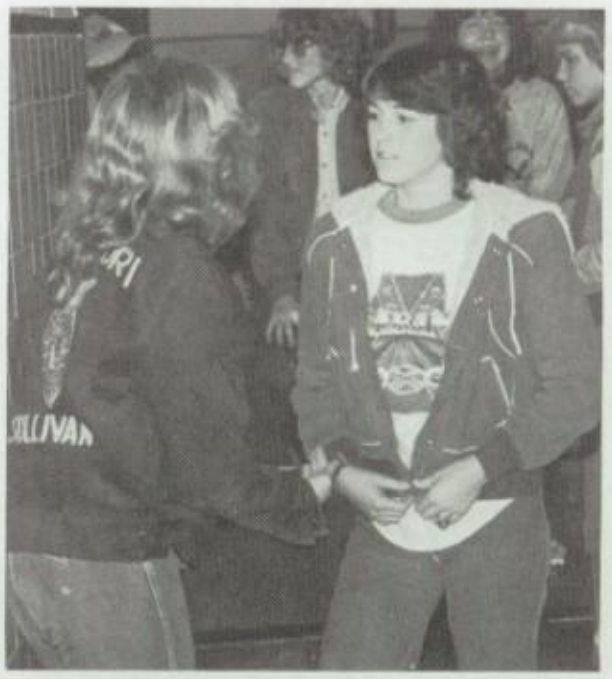
Though at the time
They cause so much pain,
We realize that we will
Make it through the rain.



SHARING SECRETS

Between the shattering screams,
And the echoing calls,
You can hear the murmur of
Voices ringing through the halls.

People trading secrets, sharing
Wishes, and whispering dreams
Of best friends and puppy love,
Which are all important it seems.



LASTING FRIENDSHIPS

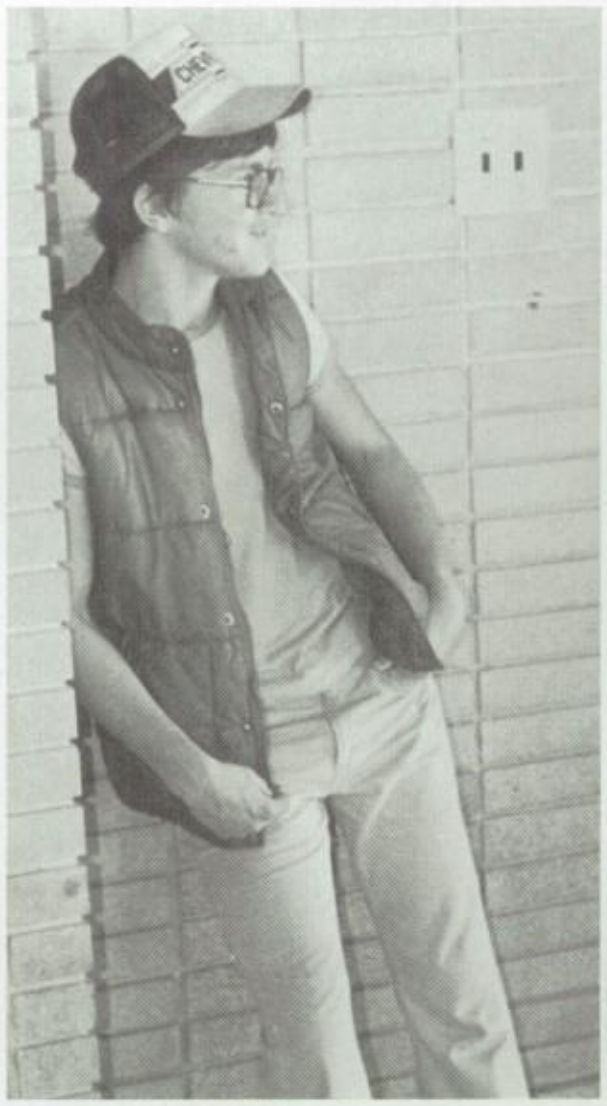
The friends we've made along the way,
And the laughter and dreams we've shared,
Will always in our memories stay,
Because they've showed they cared.

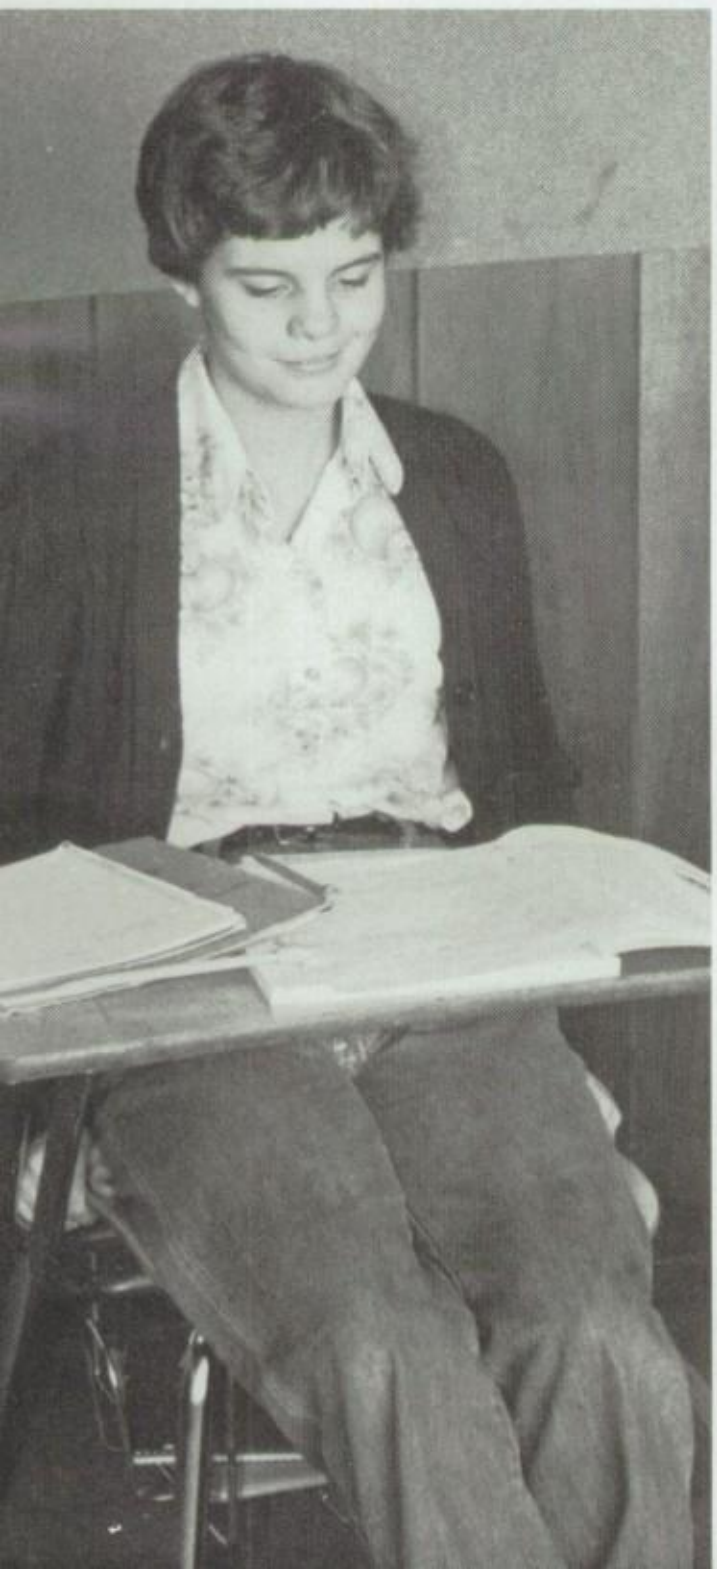
With friends you can rely on
You'll have lots of fun.
Good things will always happen,
When you reach out and touch someone.

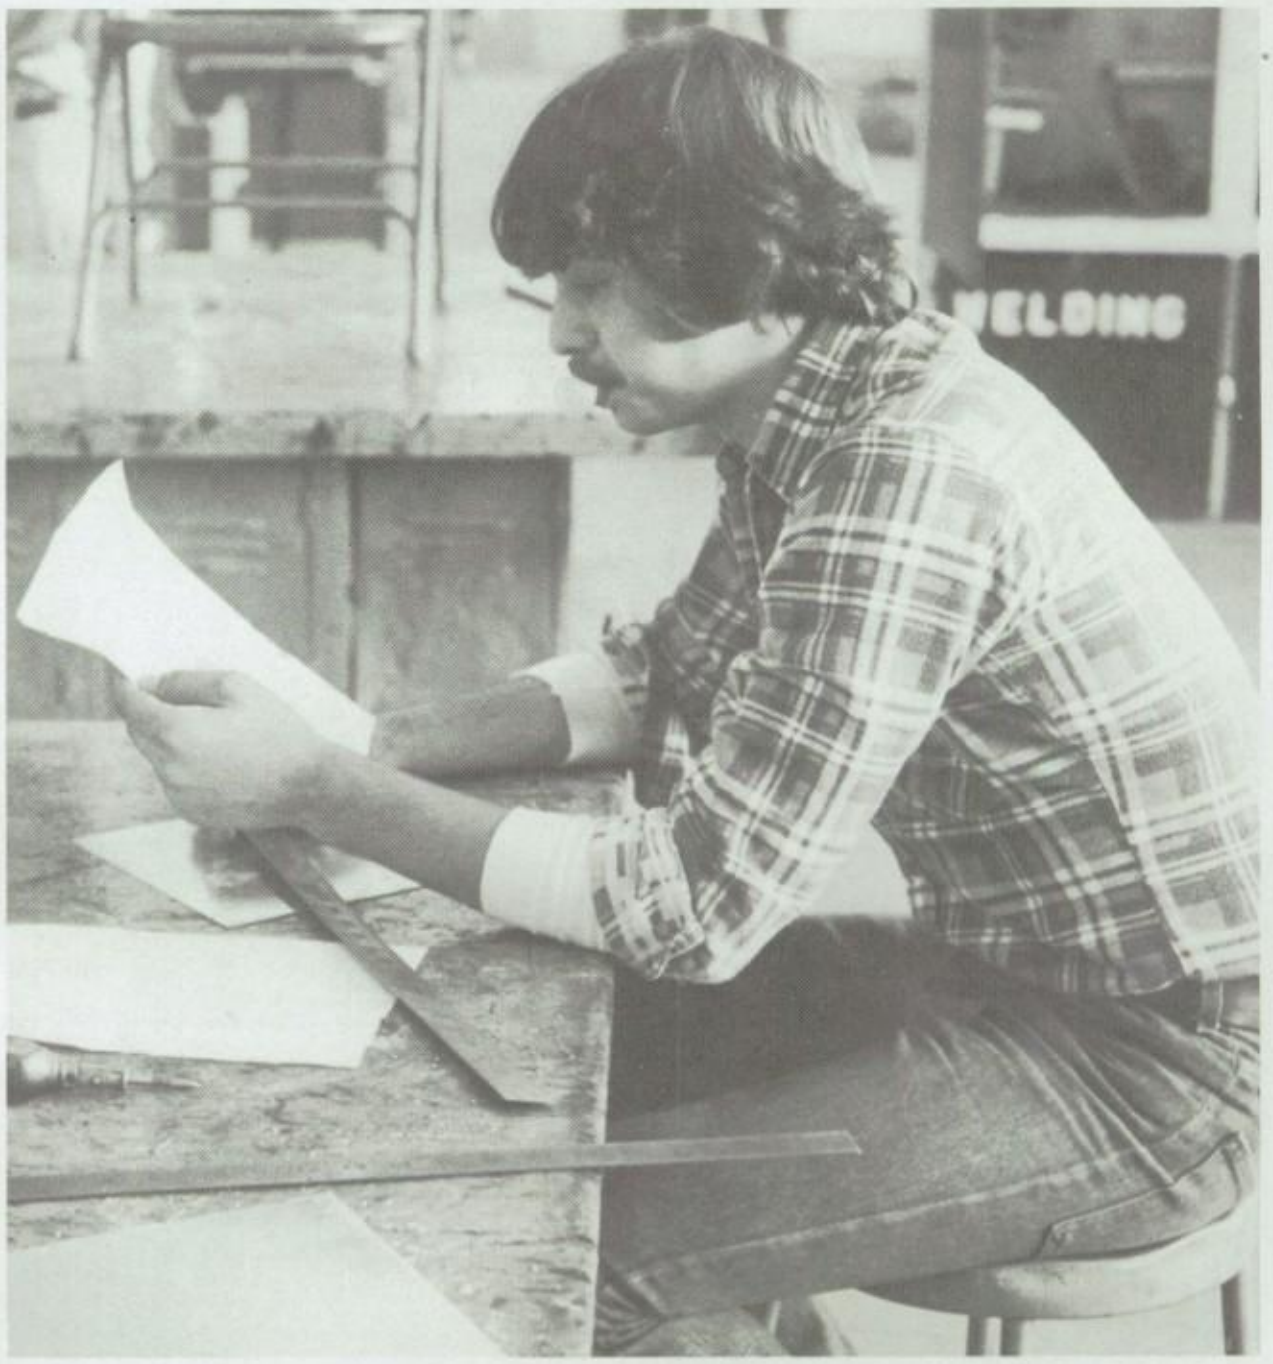
SCHOOLTIME BLUES

When you can't sit still in your chair,
And you'd rather be some other place.
When all of the world seems unfair,
And you can't keep a smile on your face.

Just keep your head up high,
Because we've got good news.
If you just smile and try,
You'll beat the schooltime blues.







FUN TIMES

The good times that we've shared all year,
And all the crazy things we've done.
Such as riding around and partying,
Have all been lots of fun.

Going to games, dances or plays,
Or walking the halls with a friend.
Are just a few ways that we have shown,
That the good times will never end.

Student Council, along with the help of the teachers and the student body as a whole, has accomplished many things this year. We completed several projects and sponsored many activities, which contributed to the success of the school year.

One of the major projects which Student Council completed was the purchase of the material for the reconstruction of the sign in front of the school. A few of the many traditional activities we sponsored were the Ice Breaker dance, both football and basketball Homecoming dances, the football Homecoming parade, and three assemblies. Two of the activities we created were the Turkey Dart Throw and the Computer Dating Service.

In closing, I would like to express my gratitude to our dedicated sponsors, Mrs. Hagan and Mr. Becherer. I would also like to thank my hard-working fellow officers, Robyn Tice, Laura Eaton, and Tyler de Leon. To next year's Student Council members I wish good luck and much success in achieving their goals.

Sullivan Eagle fans.
The flowers were pinned
on the girls with care,
in preparation for the
approaching half-time affair.
The announcement was made
and Lisa was crowned,
smiles and cheers
could be seen all around.
Lisa was given a most
beautiful bouquet,
and kisses for Steve and Keith
just made their day.

BASKETBALL HOMECOMING

Basketball Homecoming is here at last.
The gym is packed with fans.
The first game is over; the votes have been cast.
Anticipation fills the stands.

The girls, in their best, catch all eyes;
Their escorts complete the scene.
The gym is filled with echoing sighs
When Sandy is announced the Queen.

As the bouquet is bestowed her with style,
The retiring queen steps down.
Sandy lights the stage with her smile
As her beauty is topped off with a crown.

Nathan McMahan

The SHS Drama Department presented TWO PLUS TWO as the 1981 fall play. This production consisted of four one-act plays: "This Property Is Condemed," "The Happy Journey," "The Loveliest Afternoon," and "Childhood." Practice, rehearsal, move upstage, move downstage, memorize lines, speak slowly, speak up, filled the minds of the cast members for practically two months. But as those who attended TWO PLUS TWO discovered, it was well worth the time, effort, and nervous frustration.

Carisa Scott, Editor.

Whether their articles are about school activities or how world affairs affect teenagers, the reporters of ECHOES are true professionals. Under the guidance of Mrs. Pam Hagan, Carisa Scott and her staff bring excitement and enlightenment to both the TRI-COUNTY NEWS and the INDEPENDENT NEWS. They are the reason that every SHS student turns first to the ECHOES section of the newspaper. Editorials, articles, interviews — none are beyond their capabilities.

SUPER SENIORS

JEFF LOCK CARISA SCOTT

Outstanding

People like Carisa and Jeff
Are really hard to find.
They show that they care
By working hard and being kind.
If you ever need a friend
They'll be there anytime.
And on the ladder of success
To the top they'll surely climb.

Scholarly

They have smarts overwhelming,
And love to study hard.
There is never below an E
On Natalie's or Tom's report cards.
In the future we are sure
They will go far,
And rise to grasp their shining star.

NATALIE BETZ TOM THOMPSON

THE SENIOR STARS

LYNDSAY WHITENER AND KARETHA HOLLAND

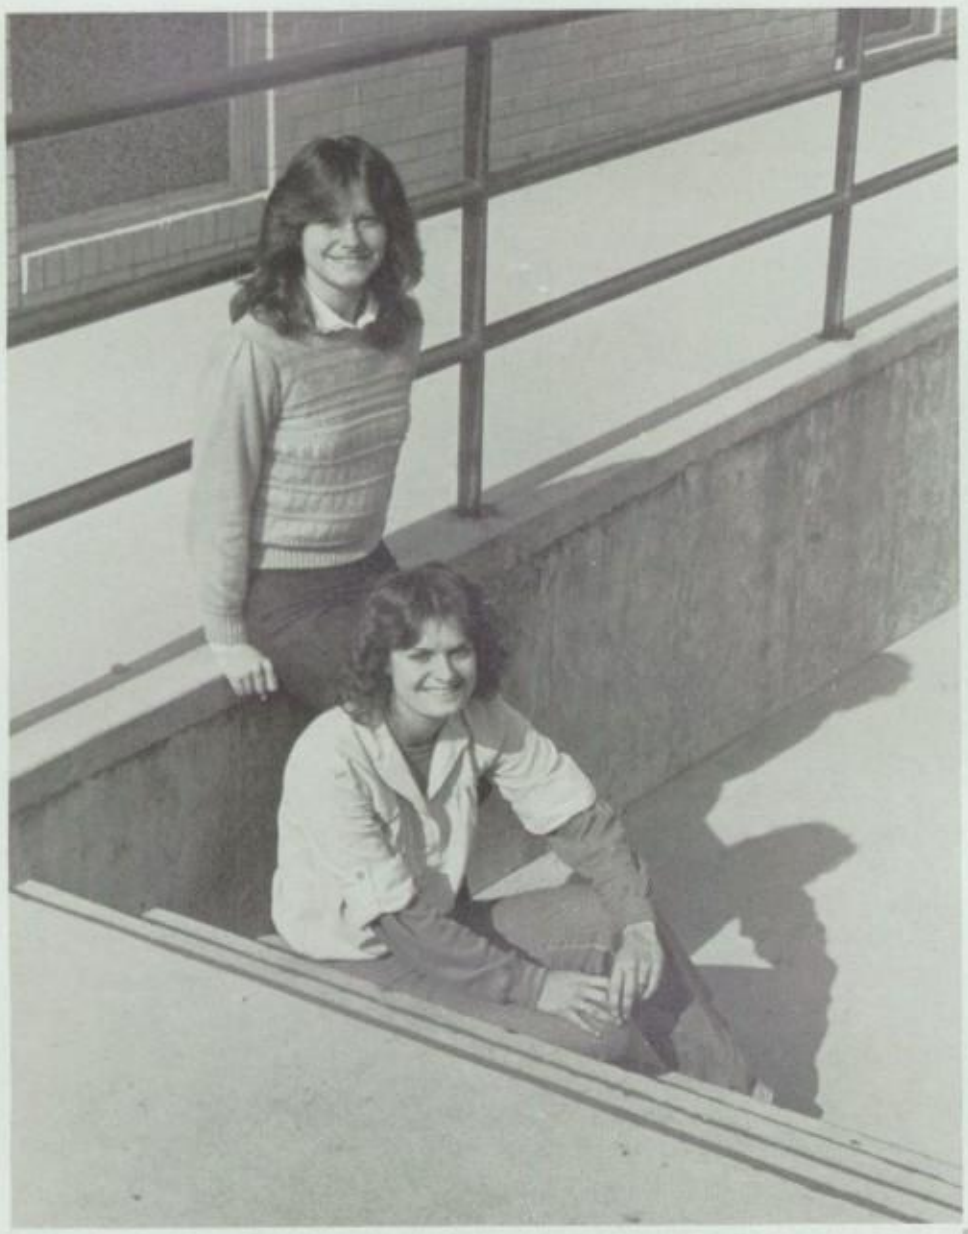
Theatrical

Karetha and Lyndsay
Are always in a frenzy
To entertain crowds of all age.
They like to act
And that's the fact (Jack)!
To them, "All the World's a Stage".

Musical

When it comes to choosing
There's no losing
With a pair like Lori and Sam.
They got the rhythm
And when we're with'em
We love to hear them jam.

LORI LARSON AND SAM SCOTT



TANYA WEISKOPF BECKY JOHANNING

Athletic

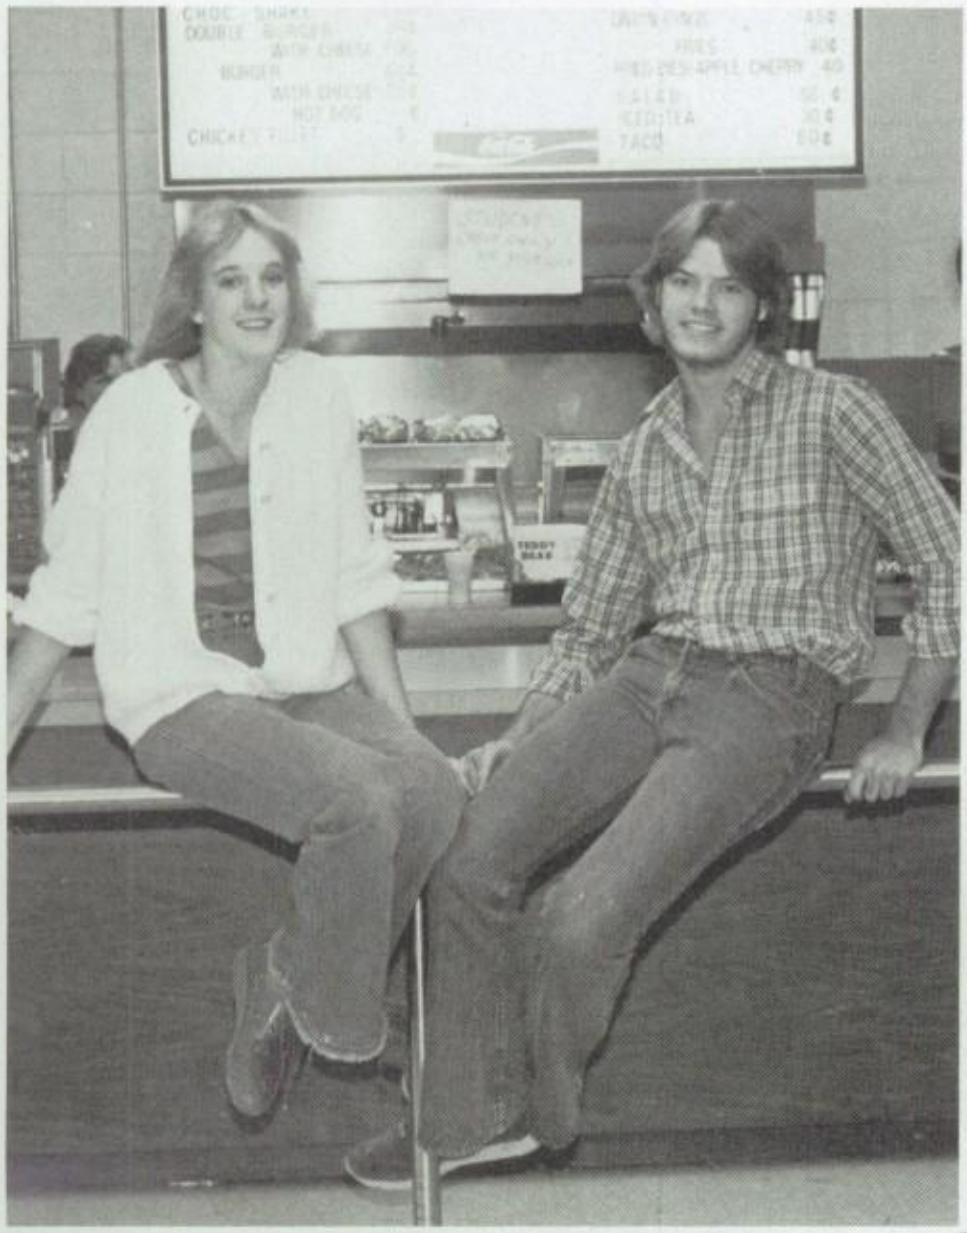
The athletic seniors we know,
Who are always on the go,
Are Becky Johanning and Tanya Weiskopf.
They play all kinds of sports,
On and off the courts,
And we can trust them to hit the season off.

Spirited

Danny and Robyn
Are rantin' and ravin'.
The air is filled with their cry.
The crowds may be jeering,
But they'll keep on cheering,
And encourage the Eagles to fly.

DANNY SCAMAN ROBYN TICE

THE GIGGLES AND SMILES



LEE ANN DOYLE AND NATE MACHELETT

Funniest

Have you heard the one about Lee Ann and Nate?
When it comes to being funny,
We think they're great!
Many laughs they share
As a comical pair.
They're the best, no one can debate

Friendliest

Lisa and Andy
Are just fine and dandy
And are always filled with good cheer.
They're always outgoing
With their smiles showing
Almost every day of the year.

ANDY MCDONALD AND LISA DATI

DIANA BAYLESS AND PAM WRIGHT

Artistic

The seniors Diana Bayless and Pam Wright
Have abilities that are out of sight.
To us it seems,
They'll paint their dreams,
And will be the critics delight.

Countrified

Sally, Diane, and Dale
Can be seen on a hay bale
Or chasing cows back on the farm.
They like hearing pigs squealin',
And going four-wheelin',
And they're brewin' with country charm!
